

## Apple Pie Surprise

*Dear Fellow Home Educators,*

We are planning an Apple Pie Surprise next Thursday as a part of our [“Homeschool Day at the Capitol”](#). We would like to bless our legislators and leave them with a slice of “home”. We desire to make the home educators’ presence known, and in the future, very much anticipated and appreciated.

We would be extremely encouraged and blessed if each family could bring *homemade* apple pies to the Capitol in Olympia next **Thursday, April 9<sup>th</sup>**. We need 150 pies. **\*See pie counter at the link below\***.

These pies need to be in disposable pie tins, since they will be left with our legislators.

We will have organized teams to hand deliver each pie along with a packet of information that details the positive statistics on education in the home and sincerely thanking them for their continued support.

It is our prayer that this personalized gift will have a positive impact on them. We would like to leave an indelible impression that will be long remembered.
