

# Christian Heritage Staff Protocol

We, at Christian Heritage, are very blessed that you would be willing to take time out of your busy schedule to help us inspire Christian families as they seek to raise up a Godly generation. As staff of Christian Heritage and children of God there are several requirements that we have:

- First and foremost, we must strive to exalt Christ in everything that we do and say. Our every action will be watched and will either bring glory or dishonor to the Lord.
- We must display Godly character in what we do.
- We must have a professional and gracious demeanor.
- We must work together in harmony and Christ-like love. In order to do this, it is essential that each member of the staff respect the established chain of command, and refer problems out of their jurisdiction to one who is in charge.
- Please join us in prayer for this conference.
